Ecommerce Website

The screenshot shows a development environment for an ecommerce website. On the left, the Visual Studio Code interface displays the file structure and code for `Landing.js`. The main area shows a web browser window with the URL `localhost:3000/Landing`. The website has a header with a logo, a search bar, and navigation links for Home, Favorites, Cart, and Profile. The main content area displays a grid of products, each with an image, title, rating, and price. The products include a backpack, t-shirts, jackets, bracelets, rings, SSDs, and hard drives.
